### Consumer Benefits

#### Hear The Details That Matter

The center channel is the most important speaker in any home theater setup. The Monitor XT30 uses a newly developed tweeter and woofers to deliver clear, crisp, intelligible dialogue no matter where you sit. Your TV never sounded this good.

#### Hi-Res Audio Certified

Monitor XT30's new Terylene dome tweeter makes it perfect for enjoying the high-resolution sound found in ultra-HD movies, multi-channel concert videos, and spatial audio mixed for Apple Music, Dolby Atmos, or DTS:X.

#### Clean, Tight, Effortless Bass

MXT30's dual dynamically balanced 5.25" woofers play punchy, loud, and low, delivering Polk's famously smooth mid-range and powerful, effortless bass for soundtracks and special effects with impact.

#### Dolby Atmos Certified & DTS:X Compatible

Compatible with the latest Dolby Atmos and DTS:X surround sound enabled AV receivers and 4- & 8-ohm amplifiers, Monitor XT does not require specialized equipment to deliver great sound.

#### Hi-Res Audio Certified

Monitor XT30's new Terylene dome tweeter makes it perfect for enjoying the high-resolution sound found in ultra-HD movies, multi-channel concert videos, and spatial audio mixed for Apple Music, Dolby Atmos, or DTS:X.

<b>Weight</b>	14lbs/6.4kg

### Consumer Benefits

#### Hear The Details That Matter

The center channel is the most important speaker in your home theater. Monitor XT35's five-driver array delivers crisp, intelligible dialogue no matter where you sit. Your TV never sounded this good.

#### See the Details, Too

The MXT35 slim center channel tucks in right below your TV to provide big center speaker sound without blocking your view or remote. It features keyhole slots for easy wall mounting and can also be used as left and right channels for amazing home theater sound that doesn't use floor or shelf space.

#### Hi-Res Audio Certified

Monitor XT35's new Terylene dome tweeter makes it perfect for enjoying the high-resolution sound found in ultra-HD movies, multi-channel concert videos, and spatial audio mixed for Apple Music, Dolby Atmos, or DTS:X.

#### Clean, Tight, Effortless Bass

MXT35's four Dynamically Balanced, compact woofers play punchy and loud to deliver Polk's famously smooth mid-range and effortless bass for soundtracks and special effects with impact.

#### Dolby Atmos Certified & DTS:X Compatible

Compatible with the latest Dolby Atmos and DTS:X surround sound enabled AV receivers and 4- & 8-ohm amplifiers, Monitor XT does not require specialized equipment to deliver great sound.
